IGNITION INTERLOCK

# How does IT WORK?

## CONGRATULATIONS!

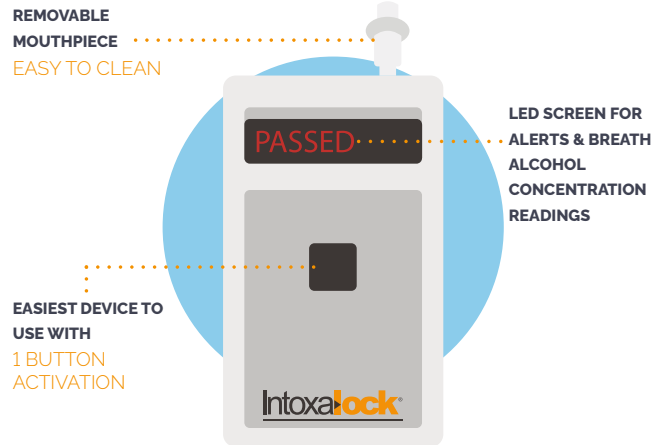

As a Referred Client you are uniquely qualified to receive exclusive benefits as part of our Intoxalock Select Program.

Our Intoxalock Select Program was created to offer exclusive savings to our Partners. These benefits can only be accessed by the contact information on this brochure!

# What is AN IID?

An ignition interlock device, or IID, is a small, handheld breathalyzer that's installed to prevent users from being able to start their vehicle after drinking alcohol.

# How to GET STARTED.
